

EMERGENCY

MEDICAL

SERVICES

Enter the exciting world of First Responders & EMT-Bs. You will begin an educational adventure that will give you the tools to care for medical & trauma emergencies. Demand for the Nationally Registered EMTs is increasing. Because of the shortage of EMTs, job opportunities in Louisiana is growing. After completion of this class you can work on an ambulance, off-shore, fire departments. Make a living while helping others

First Responder

As a First Responder you will represent the first critical link between a patient's injury or illness & the care provided by other EMS professionals.

Personnel with this training can perform all the skills as a First Responder, plus some new skills. This National certification is the foundation for all emergency medical education...with this you are well on your way to an exciting career.
